

THE VIRGINIAN SUITES

ARLINGTON, VIRGINIA

Recently renovated by the award-winning hospitality design firm of BBGM, The Virginia Suites is a luxurious hotel and conference center with extensive on-site amenities and services. The hotel offers spacious studio and one-bedroom suites, high-end finishes and furnishings, separate kitchens, and ample accommodations for busy professionals working from their rooms, including high-speed Internet access and executive desks with task lighting.

The hotel also features a host of flexible meeting facilities and the "S.S. Potomac Club," which provides a relaxing, club-like atmosphere for guests. The Virginia Suites frequently accommodates guests on US military and other federal business, and maintains occupancies exceeding 90%.
